#### DEDICATION

We, the Students of Lyndon Teachers College, feel that we are indeed fortunate to have had you with us as our teacher, adviser, and friend these past two years.

From your teaching we have acquired a better knowledge of music and through your great love for music you have imparted to us also a deeper and finer appreciation of this subject. We thank you for the help you have always freely given, and for the opportunities which you have provided for us to participate in many enriching musical experiences. As a token of our appreciation, we dedicate to you, Miss Lucille Helen Charron, our 1948 issue of the Verlyn.

TO THE GRADUATING CLASS OF 1948:

Graduation marks an important day in your lives. May your many treasured experiences at Lyndon serve as a source of pleasure and as a guide to your future success. However, be cognizant of the fact that the true-and-happy-of-heart and the courageous are always a success.

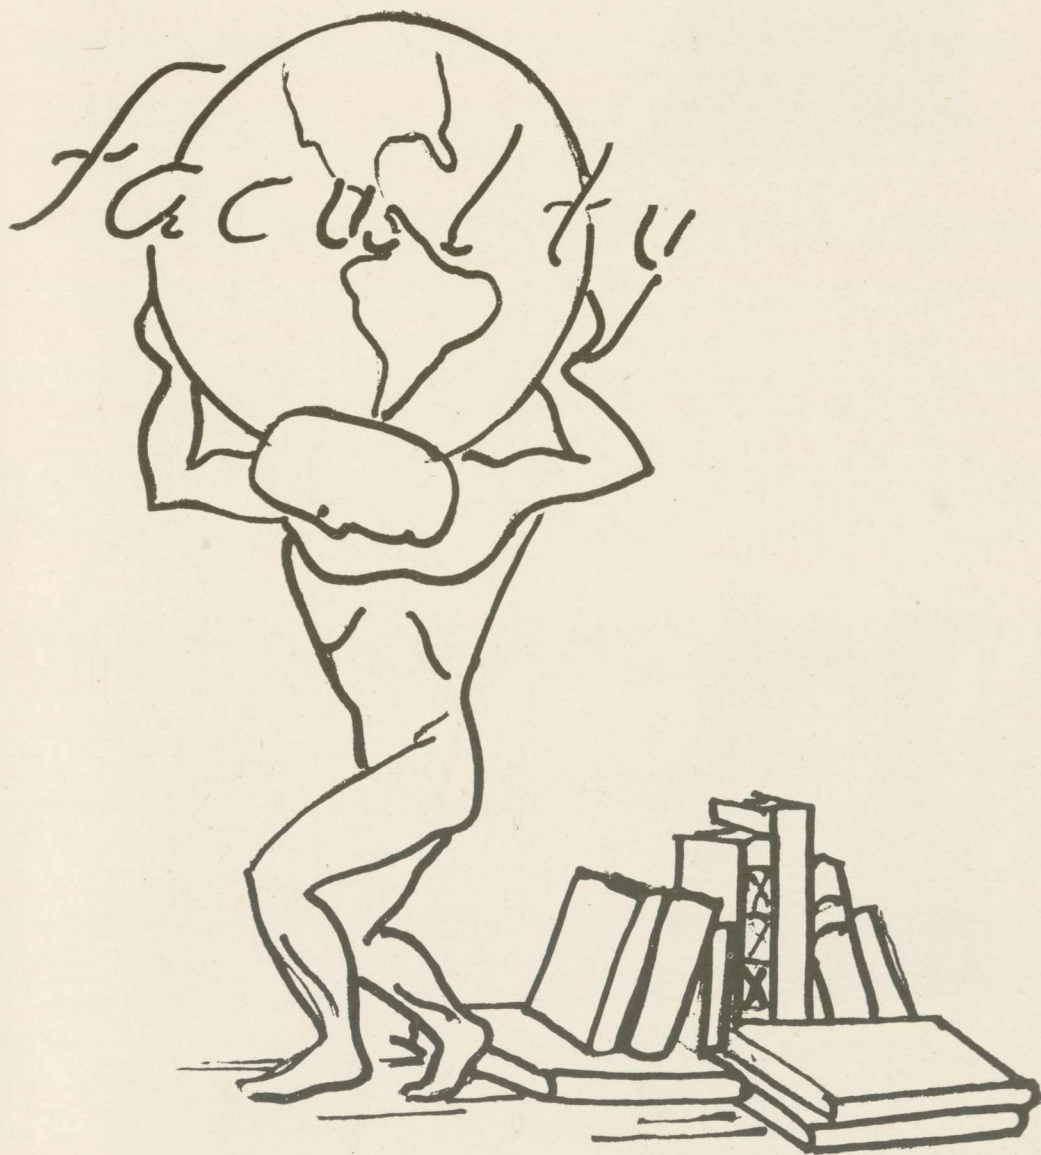

As teachers, many will look to you for guidance and teaching. Your responsibility can be lightened by sharing your love of mankind, by being broad-minded and mentally alert.

As a farewell thought, remember the intrinsically vibrant words of Thomas Jefferson, who said, "I have sworn upon the altar of God—eternal hostility against every form of tyranny over the mind of man." May you as teachers wield to its fullest extent your power of creating healthy-minded and thinking individuals.

## **PRESIDENT'S MESSAGE**

Another year has passed, and we are nearing graduation day, which makes us realize just what our responsibilities are. Like the story of Johnny Blossom, we want to be a credit to our school. Living and teaching to the best of our ability, and cooperating in the community are our greatest objectives.

In one of Dr. Noble's lectures, he stated that the teaching profession was "up front" and it is our responsibility to see that it remains in that position. We know that teaching does not just mean giving facts to children, but allowing them to see the reasons behind the facts. This makes for better citizens in the future, and we are trying to develop pupils who will be self-directed, able to get along with other people and also have the ability to get along with themselves.

Living with the Great Teacher in mind will enable us to become worthier teachers, ourselves.

The Executive Board consists of a group of elected students representing the different classes and organizations with the College President as our adviser.

The purpose of this group is to represent the college body in dealing with problems concerning the administration, campus privileges, and school activities.

Some of their objectives for 1947 and 1948 were electing delegates to the Boston and New York Conventions, the establishing of better relationships between faculty and students, sponsoring annual formal, and adding new amendments to Lyndon Teachers College Constitution. This organization always desires and works toward making our college bigger and better each year.

And if I should win, let it be by the code,  
With my faith and my honor high;  
And if I should lose, let me stand by the road  
And cheer as the others go by.

The Women's Athletic Association here is composed of all the girls in our College. We take part in many sports, such as basketball, softball, volley ball, badminton, ping pong, bowling, skiing, skating and hiking. There is a point system whereby girls are given letters as awards for participation. The W.A.A. is divided evenly into two teams, the Green with Betty Boyd as Captain, and the Gold with Helen Kendall as Captain. These two teams compete intramurally in all sports and the winning team has its name engraved on a plaque.

The highlights of the W.A.A. activities for this year have been the Basketball Play Day in Burlington with U.V.M., Johnson, and Castleton; the badminton matches at Bradford Academy, and the Winter Carnival held here. The Winter Carnival is an event which takes place each year with the Green and Gold Teams competing in Skiing, Tobogganing, Games, and Snow Sculpturing. In the evening a banquet is held at Sanborn House, the prizes are given out, and the winning team is announced.

## GLEE CLUB

Lorraine Carl

Adviser

Miss Lucille Charron

With an active membership of twenty-six people and under the leadership of Miss Charron, our College Glee Club has been successful in working together for our own enjoyment and, I believe, that of others also. Our three major activities, which we will have concluded at the end of the school year, include: a Christmas concert, given for the Woman's Club, an Easter cantata, "Eastertide," written by Paul Bliss, and participation in the commencement activities. In addition to these three, we have prepared special music for assemblies.

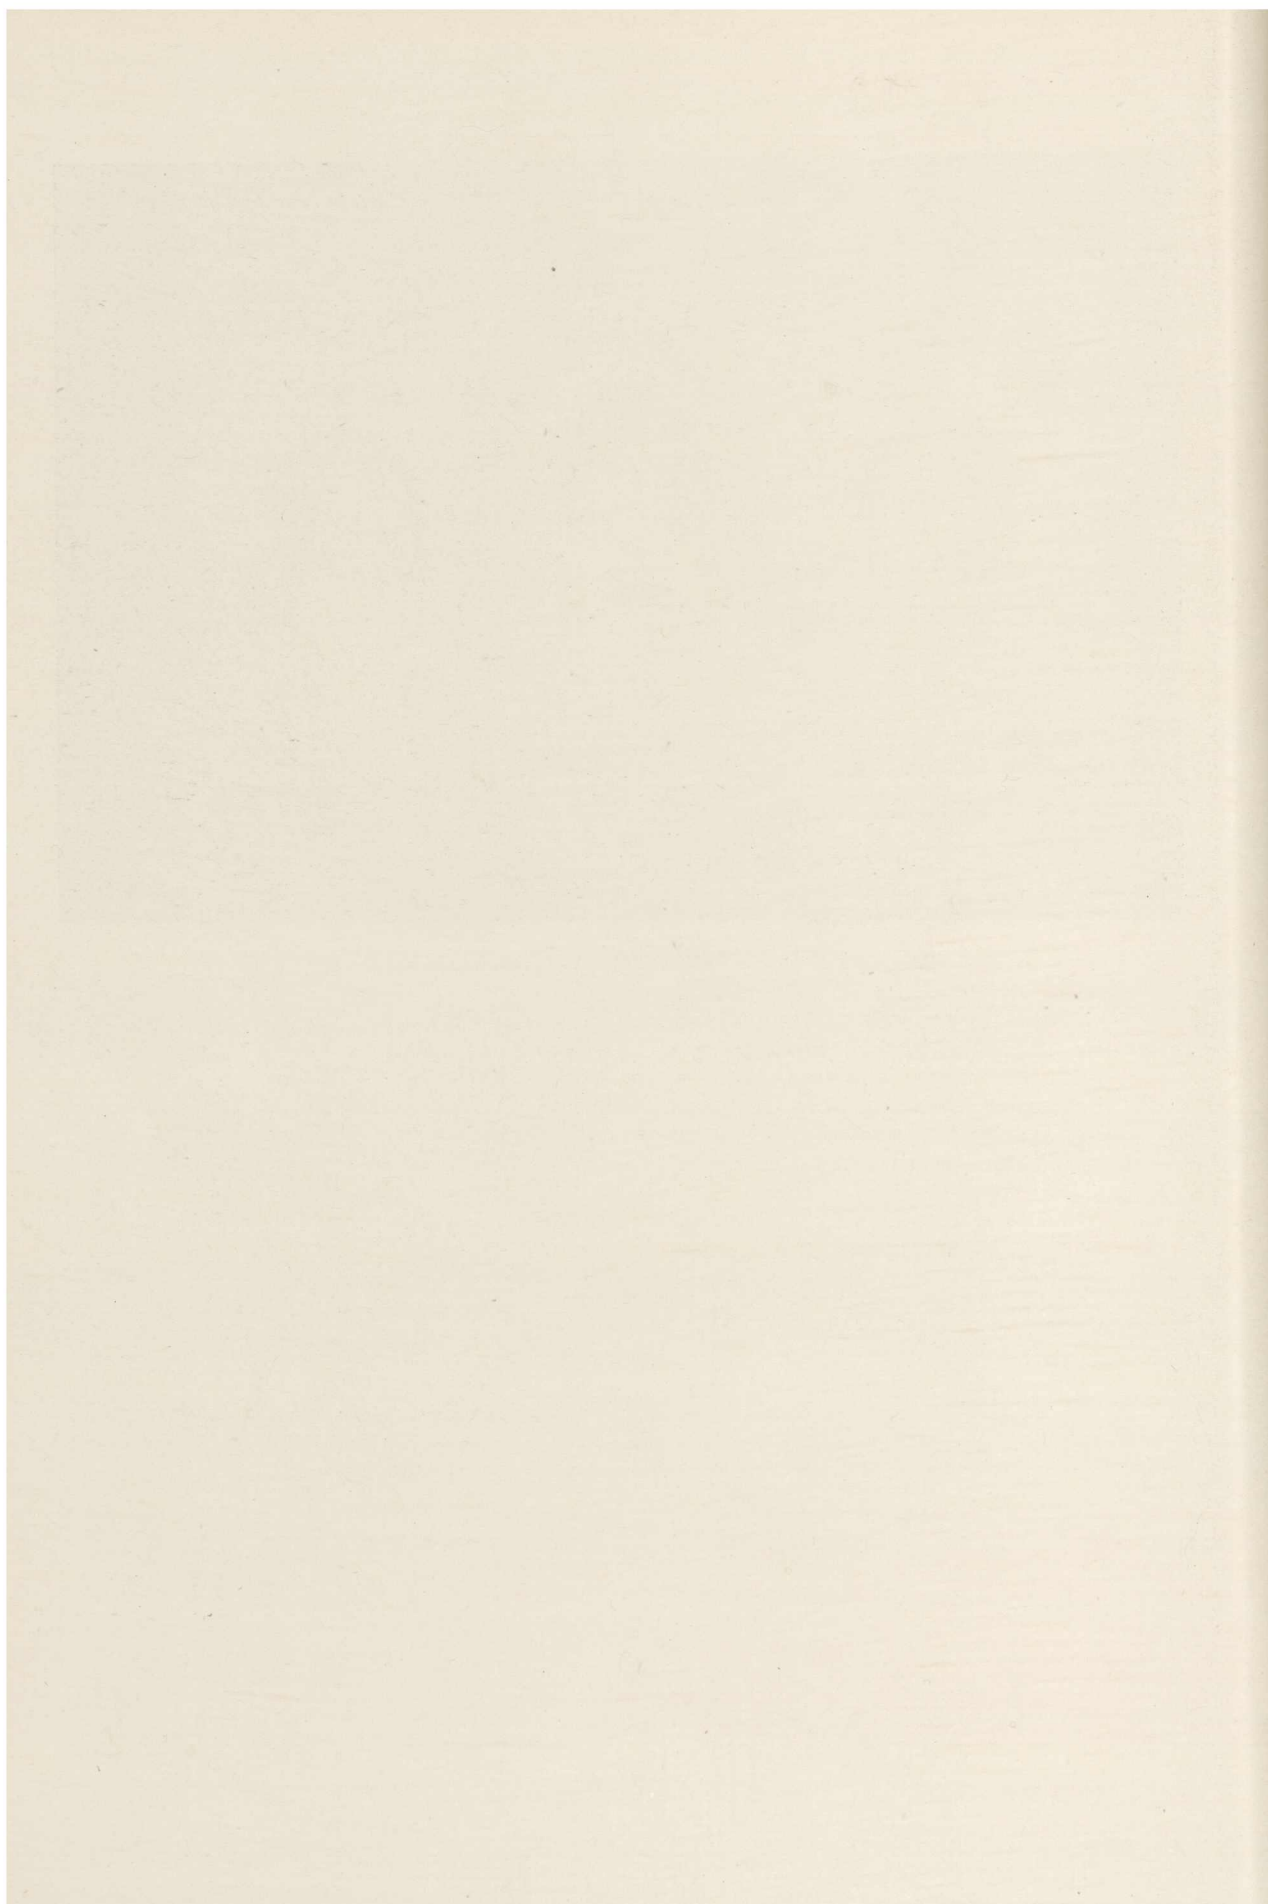

#### FRIENDS OF THE FRESHMEN COMMITTEE

The Friends of the Freshmen Committee is responsible for helping new students feel at home here. The committee assigns a "big sister" to each freshman. The "big sister" writes to her "little sister" during the summer and, when the new freshman arrives in the fall, helps her to become acquainted and answers any questions which she may have concerning the curriculum, rules, etc.

The Friends of the Freshmen Committee also plans our Open House Program with the aid of a faculty adviser.

### DRAMATICS CLUB

Mr. Alden J. Carr

The Dramatics Club met regularly during the year on Wednesday evenings for the purpose of reading, studying, and acting plays, and also to have a few social games and parties. The one-act play, "Grandma Pulls the Strings", given in assembly, was a real success. "A Little Honey", the three-act comedy put on at the Lyndonville Armory in the Spring, was greatly enjoyed by the audience.

All members of the Dramatics Club enjoyed their weekly meetings and taking part in these plays under the able direction of Mr. Carr, our adviser.

### PRESS CLUB

President

Marian Morris

Adviser

Mr. Alden J. Carr

The Press Club is an organization of students interested in journalistic activities. Our Club is responsible for the preparation each week of a report of the college activities, which is published in the Caledonian Record and other newspapers of this area. The Press Club also produces our College Paper, "**The Echo**", which appears at intervals during the college year.

### RED CROSS UNIT

	First Semester	Second Semester
President	Lucile Rumney	Wanda DuClaw
Vice-President	Winona DuClaw	Corinne Campbell
Secretary-Treasurer	Hylde Ricker	Ida Sayers

Our Red Cross group, although not as large as we wish it were, has been quite active this year.

The first project which we undertook was the supplying of some useful clothing to a needy family. The box, which was delivered around Christmas, contained used clothing, mittens knitted by some of our members, and some clothing which the girls made from new or used materials. We also sponsored the collection of articles for a family in town who lost their home and possessions through fire.

At Open House, the Red Cross group put on a two-minute skit in assembly to explain our work to the visitors.

### HIKING CLUB

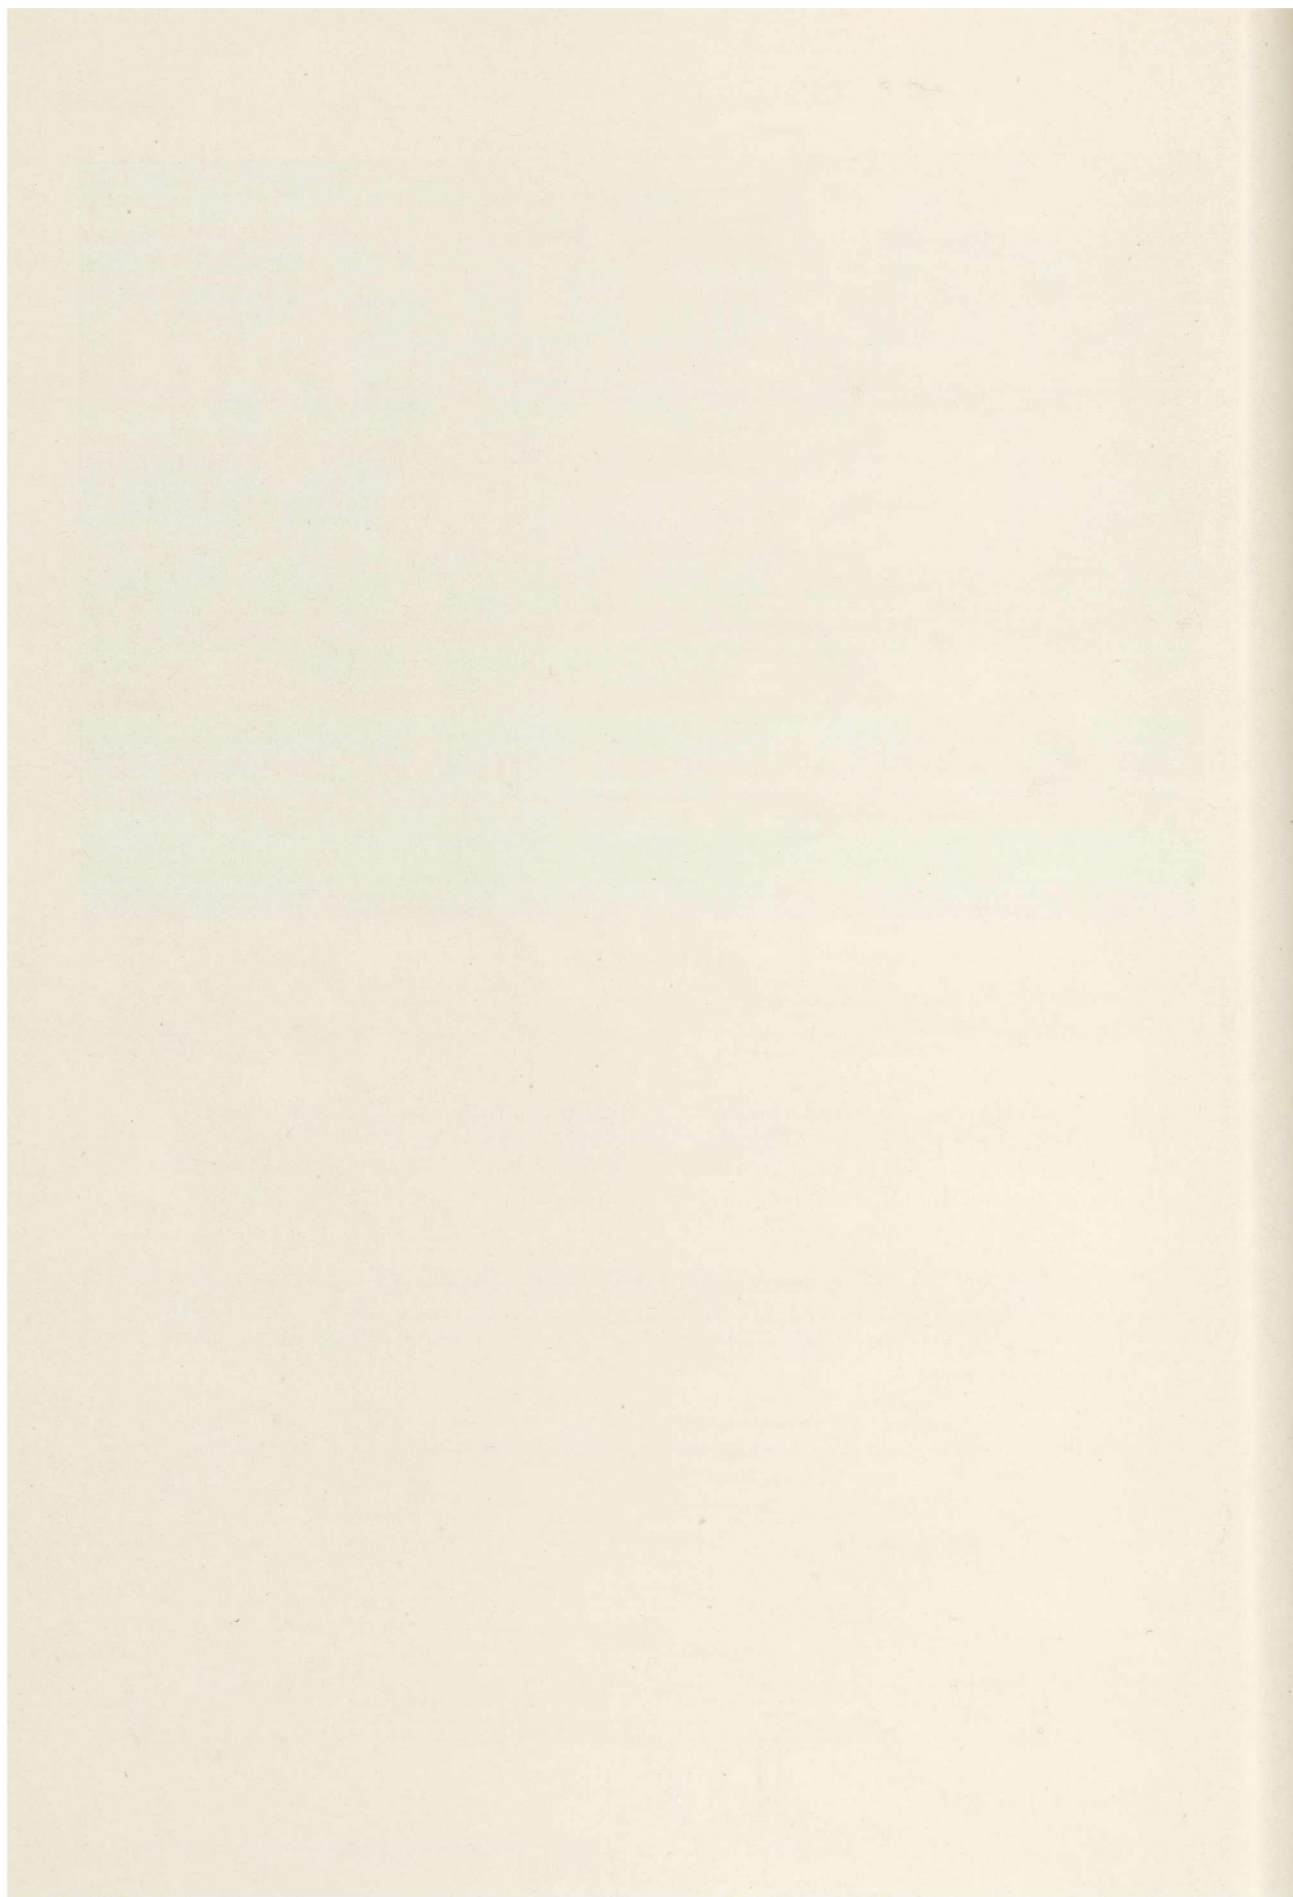

President

Winona DuClaw

With the increased number of students enrolled at Lyndon Teachers College, there has been an increased interest in the Hiking Club. It is now able to take an active part in the W.A.A. Program. The Club consisted of about twenty members this year and each member was obliged to hike fifty miles to obtain credit, ten of which could be unsupervised.

Several organized hikes were taken in the vicinity of the college, and the members also enjoyed an over-night trip to Pierce's Mills. It is our hope that the Hiking Club will continue to expand and become an activity enjoyed by many.

## ALMA MATER

In a green and pleasant valley  
Beneath an azure northern sky,  
Fair Lyndon College bids us rally  
To sing her praises high.

Lyndon! Alma Mater!  
Hail to thee forever!  
From every loyal son and daughter,  
Lyndon! Our own!

When the winter stars are shining  
Beyond the mountain's highest rim,  
Our song of friendship ever binding  
Shall rise thy fame to win.

Lyndon! Alma Mater!  
Hail to thee forever!  
From every loyal son and daughter,  
Lyndon! Our own!

And though the future bring its sorrow  
Or though the future bring us grace,  
Thy memory fair beyond tomorrow  
Time never shall efface.

Lyndon! Alma Mater!  
Hail to thee forever!  
From every loyal son and daughter,  
Lyndon! Our own!

## Lyndon Institute

A co-educational secondary school where students may acquire an education at moderate cost. It offers the following courses: College Preparatory, Scientific, General, and Commercial. It also prepares students for admission to Vermont State Normal Schools. The Institute provides well organized courses in Art and Home Economics, Vocational Agriculture, and Trades and Industries.

Teachers of training and experience are employed who give special attention to the needs of individual students. Graduates of secondary schools who require additional preparation for admission to college are welcomed and given such work as they require for admission to the institution of their choice.

Fine location. Large campus and beautiful grounds. Modern buildings and equipment. Excellent gymnasium. Strong athletic teams. Wholesome school life. Necessary expenses are very moderate, much less than in most secondary schools of equal rank. Limited scholarship aid is extended to worthy and needy students.

Inquiry welcomed. For catalog and information address—
